Refined and welcoming, this stunning residence by Luka Design & Build is a true embodiment of elegance and beauty. Spanning approximately 6,400 square feet across three thoughtfully designed levels, it offers six bedrooms and six and a half bathrooms, delivering both space and comfort. Every detail has been meticulously considered, from softened edges and warm textures to the integration of natural materials and intricate millwork. Bathed in soft ambient lighting, 913 Symphony Circle welcomes each guest, making it not just a house but a home.

The luminous living room captivates with eye-catching lighting and a showstopping fireplace surround. Evenly lit from the tray ceiling above, a warm glow falls across the space. A sleek gas fireplace serves as the centerpiece, while wall-to-wall glass doors frame the deck and backyard, seamlessly connecting the indoors with the outdoors. Thoughtfully connected to the kitchen and both casual and formal dining spaces, the open concept layout offers effortless flow.
